

Yale *Center for Emotional Intelligence*

The **Yale Center for Emotional Intelligence** (<http://ei.yale.edu>)
is hiring Research Assistants!

Drs. Marc Brackett and Craig Bailey are seeking highly motivated **undergraduates**, **recent graduates**, and **graduate students** to fill RA positions for a large, five-year grant funded by the Institute of Education Sciences ([R305A180293](https://www.ed.gov/funding/305A180293)) to test the efficacy of RULER, an approach to social and emotional learning, in preschools across Connecticut. All positions focus on data collection and begin August 2019.

Requirements:

- A commitment of at least 10 hours per week
- Availability for school visits in the morning
- A multi-semester commitment is preferred, but not required
- Experience working with children and/or in schools preferred

Applications will continue to be welcomed throughout the duration of the project. Positions are contingent on passing applicable background checks.

Yale students can apply through Student Employment: Job ID [22837](#). For all others, please submit a (1) letter of interest, (2) CV/resume, and (3) 3 references to Dr. Irem Korucu: irem.korucu@yale.edu.
